[SmileNihongo.com/C2](http://SmileNihongo.com/C2)

In this course, you will learn the fundamentals of Japanese speech styles, including when to use formal and informal speech. You will also learn how to use question words like "what," "when," "where," and "how much," and master essential inquiries about time, age, location, price, and more. Additionally, you will practice listening comprehension by engaging with sample dialogues at both slow and natural speeds.

**NOTE:** Romaji is included in every lesson, allowing you to learn Japanese without knowing Hiragana and Katakana, the Japanese alphabet.
